KNOW THIS WINE BETTER

The wine takes one of the surnames of the owner of Pradorey, Javier Cremades de Adaro, and reflects the values that are behind his winemaking concept. In his own words, they can be shared by any grape grower: "daring, patience, loving care, satisfaction". Adaro comes from the most special terroir in Pradorey, Hoyo Dornajo, and is perhaps the most carefully-tended wine of its entire portfolio.
