

# Blanco

**GRAPE VARIETIES:**

Verdejo, Albarin Blanco

**GRADE:**

13.5% vol

**TYPE OF SOIL:**

Multi-varietal, made only with local native grapes of Castilla y León

**COLOUR:**

Highly intense yellow colour

**AROMA:**

Complex notes of ripe stone and white fruit. Balsamic vanilla and roasted notes also, wonderfully integrated with the win

**PALATE:**

A balanced, silky and generous palate. With moderate and balanced acidity. Lingering with an aftertaste suggesting stone fruits

## KNOW THIS WINE BETTER

Pradorey Blanco is born with enthusiasm, like when returning home after been away for a long time. Returning to white winemaking in Ribera, where we planted 10 hectares of white varieties, built a new warehouse and dressed it with concrete tanks and some of the best oak barrels you can find. The result, a fine, elegant and fresh wine that will be the star of every gathering.
