

# Rosato Spumante Bio Vegan

**GRAPE VARIETIES:** Cultivar suitable for sparkling wine.

**GRADE:** 11% vol.

**TYPE OF SOIL:** Limestone, clay, marl and marine sandstone.

**COLOUR:** Intriguing pink tones with delicate salmon nuances, fine and prolonged perlage in the glass.

**AROMA:** To the nose it presents elegant floral notes followed by sensations of small red fruits.

**PALATE:** Excellent initial impact, pleasant sensation thanks to the presence of carbon dioxide well amalgamated with the acidity and sugars present, well balanced for the duration in the mouth. Interesting persistence and final sensation.
