ALCOHOL
13,5% Vol

RESIDUAL SUGAR
2,69 g/l

PH
3,56

ACIDITY
4,79 g/l

ORIGIN

The vineyards of this Merlot comes from selected vineyards in the Curicó Valley, known for its cold, rainy winters and warm, cloudless summers, allowing for a good thermal range between day and night. The soils are well-structured, with textures that provide good permeability, promoting healthy root development.

WINEMAKING

Cold maceration is performed for 2-3 days prior to fermentation, which takes place in stainless steel tanks for 7-10 days. During fermentation, two daily pump-overs are carried out to ensure effective color extraction and structure. The wine is aged in oak, in minimal doses, to preserve the fruit profile while adding complexity.

TASTING NOTES

Ruby red color. Aromas of plum and cherry. Elegant structure with soft tannins.

PAIRING

Excellent with meat stews and pasta dishes.

STORAGE RECOMMENDATIONS

Keep in a cool and dark place. Do not expose to significant variations of temperature.
